

Zero in On Prayer

Dear Friends,

The time has passed quickly for us here in Brazil. Furlough time has come again. In August we will begin to visit our churches, "Home Ministry" as it is now called.

We look forward to seeing you dear folk who have supported us through prayer and giving these many years (We have been in Brazil since 1992). All is to His glory.

Pray for our last few months. There is much to conclude and much to prepare. Are we planning on returning to Brazil? Without a doubt. Look forward to seeing you!

Together in His service, Tom and Grace
