

Zero in On Prayer

Dear Friends,

What a joy it has been to visit with you in person during furlough. As we turn our faces toward Brazil and the Lord's work there, we are assured of your prayers and support. Pray with us for some key areas in the development of Christ's kingdom.

- Leadership - needed new leaders
- unction for present leaders
- Seminary's growth and accreditation
- Continued expansion & growth in the District
- For our new church plants that they would grow and become strong.
- Pray for the Latin Am. Conference on Missions in Oct., held in Manaus
- Pray for Grace and me in our new position
