

Zero in On Prayer

Dear Friends,

Greetings in the name of the Lord! We sure have appreciated your prayers in our behalf. As the mission director of Brazil, I have sensed much greater pressure, but also the Lord's marvelous presence and support. Our vision for the work is constantly being expanded. We are excited about the growth opportunities and opening a new work in South Brazil - in Londrina, Paraná. Continue to pray with us for *transformed lives and powerful churches.*

- Anna's Birthday (9 years) April 29th. She is getting so big and is helping a lot in ministry
- Pray for the Latin Am. meeting of Wesleyan World Fellowship, held in Costa Rica - May
- District Conferences in July
