

# Zero in On Prayer

**Dear Friends,**

Time sure passes quickly! Our lives have done a flip-flop. What about yours? We are living in Mississipi visiting churches on home ministries until we return to Brazil – summer 2001.

Grace and I are both taking some classes at Wesley Biblical Seminary where we are also the resident missionaries. Grace is homeschooling Anna and Hudson as well.

Pray for our deputation work as we reconnect with or visit with new churches and prayer partners. Pray for travel and the many long hours on the road. Lastly pray for our leaders and workers in Brazil as they valiantly carry on God's work.
